Dear Mr Edwin Yip / Ms Marilyn Ma,

Thank you for your email.

We have reviewed the matter and based on all the available information on hand, we are of the view that we do not have a good defense towards the claim submitted by GBF6326R. Attached here with both parties video footage for your easy reference. From the video footage, it shows that your vehicle was on the left most lane at the traffic junction while third party was on your right side. After the traffic light turn green your vehicle started to move ahead, while moving your vehicle had encroached into third party lane and collided with third party who was driving within his lane. Therefore, we are of the view that liability is not in your driver favour. We shall proceed to negotiate for an amicable settlement of the third party claim at best to avoid further litigation, which would escalate to even more cost.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 07 days from the date of this letter.

Please note that your No-Claim Discount (NCD) (if any) will be affected upon next renewal due to this Third-Party claim. However, if your policy has a NCD protector feature, it will be deemed utilized for this claim and your NCD will be protected.

Please call us if you have further queries.

Best Regards,

Hsiao Tong, Chew (Ms) | Case Handler
