Brief Details.

On the above mentioned date, time and location. I was riding my motorcycle(FBR5220E) at Guillemard road towards Nicoll highway when suddenly the traffic light turned amber as such I had to jam brake. I managed to stop my motorcycle on time when suddenly a vehicle(SMY615R) hit the rear of my motorcycle. The impact caused my motorcycle to fall from the left side, I fell down along with my motorcycle. The other party then came out and render my assistance. An ambulance was nearby the area as such they came forward and render assistance to me. At that point of time, my leg and my back was already hurting however I refused conveyance from the ambulance. We then exchange particulars. The other guy called for police. Traffic police then arrived and told me to see a doctor and if I received more than 3 days of MC, I need to lodge a police report. At around 1330hrs i went to the workshop and they told me to go Tan Tock Seng hospital. I received pain killers from the doctor and also 4 days of MC. I am lodging this report for my own record and insurance purposes.
