Brief Details.

On 06/02/2017 at 1215hrs I was driving in my vehicle SJB7201L with 2 passengers along a single filter lane at Upper Bukit Timah Road towards the City area near lamp post 228. While I was driving straight past bus stop 44019 on my left, suddenly a SMRT bus "67" with vehicle number SMB1649H moved out from the bus stop bay and hit the left side of my vehicle with the front part of the bus. When the bus hit my vehicle I had already moved past the bus stop. I suffered multiple scratches and a dent on the front and rear left door. The front passenger door handle was damaged and part of it was broken off. The rear left side of my vehicle also had scratches and dent. There were scratches on the front right corner of the bus. No one was injured from this accident and no Traffic Police or Ambulance attended the accident. I managed to take down the name and the IC of the bus driver. I am lodging this report for my insurance claim.
