Hi Shiau Chan,

Please proceed authorization repair with list price quoted.

However, upon verifying price with C&C they price quoted is slightly on a high side. You may inform attending surveyor to contact me for the price verified on my end.

Thank you

Dear Kok Chong,

According to the repairer, they refuse to use cost + 10% for parts as they are no authorise workshop for AIG.

Kindly advise whether we can proceed the authorisation to repairer.
