Brief Details.

On the 25/01/2021 at about 1130hrs, I was riding my motorcycle FBN5299A along Thomson Road towards Marymount road on the 1st lane. When I was approaching Mount Pleasant Road exit, I noticed another vehicle turning out and cutting through the 3 lanes. The vehicle then stopped at the 1st lane in a yellow box right outside Mount Pleasant Road exit and the vehicle was waiting to make a right turn. As the vehicle stopped in my path, I did not manage to stop in time and collided into the vehicle. The driver of the vehicle then came out to provide assistance and subsequently ambulance and Traffic Police officer arrived. I was then conveyed to Tan Tock Seng Hospital and was given 7 days MC (MC Ref: TTSH21018454). I did not manage to get the driver's particulars or car registration plate.

I wish to state that Mount Pleasant Road only allows left turn into Thomson road. I was contacted by TP IO Afiq to lodge a traffic accident report.

This report is updated/amended from Report No. T/20210125/2101. The amendment included the opposing vehicle's vehicle number for claim of insurance purposes. IO Afiq has been informed prior to this amendment as told by informant.
