ive got no video footage.. but when at scene driver did offer me \$200 as he knew he is at fault.. ive had file a police report on this too.

During the accident he was also changing lane at a speed.

\i recieved reports on his claim n his injury.. its seems to be a false report.  
his rear right bumper just slice through my front left bumper.. can that cause his with injuries..  
my 2 little kids n wife was in car..

i would like to view the footage..if i can help to further your investigation..

[POLICY HOLDER]

Dear Sir/Madam,

**ACCIDENT INVOLVING SMM 9502L & SHB 817E ALONG/AT NEW UPPER CHANGI ROAD TOWARDS  
BEDOK MALL ON 14/03/2021**

We refer to the above accident where we are acting for China Taiping Insurance (Singapore) Pte Ltd to resolve the claim against you and/or your authorized driver under the Auto Insurance policy taken up with them.

We have received a claim from SHB 817E against your motor insurance policy.

Based on the accident report and accident scenario, we are of the view that liability is not in your favour as your vehicle was changing lane and collided with third party who was on own lane. Under Motor Accident Guide, vehicles should keep in the proper lane and change lane only when it is safe. We will therefore proceed to negotiate for an amicable settlement with the Third Party.

Should you however wish to further discuss on the matter prior to our negotiations and settlement, please contact us within 7 days from the date of this letter.

Please call us if you have further queries.
