Brief Details.

at around 6pm, i was riding my bike (FBH5802D) towards Airport road, along Tai Seng avenue. Upon reaching the slip road, I slowed down as I saw there was moderate traffic on Airport road. As i was just about to stop, i felt a bang and was thrown off my bike. i got up and saw my bike on the floor with the lorry (YQ1594K) banged into it. I was approached by the driver to check if i was alright. after doing an initial assessment on myself, i realized that my shoulder was hurting very badly and I had bruises on my right arm. the driver of the vehicle behind the lorry helped to call me an ambulance.
