Brief Details.

I have video and photos. Location landmark: Tampines Fire Station. I was travelling along Tampines Industrial Ave 3 towards Tampines Ave 5. There was a van making a discretionary right turn from the opposite, Tampines Ave 5 to Tampines Ave 10. I high beam as I was anticipating right turning vehicles not giving way as there was a car that made a right turn despite me approaching the junction. I attempted the jam brakes upon noticing the van's intention to risk making the right turn. However, I could not stop on time. I started giving warnings with my high beam from the 2nd last arrow marking on the road. This accident occur at a X junction. Ambulance at scene, no conveyance. TP at scene. *Unable to upload video evidence. Do contact me for video.
