Brief Details.

On 07th November 2020 at 10.51am, I was driving my vehicle registration number: SLC8608K along Punggol Road. I was driving on the first lane and there was no other vehicle ahead of me (First lane turning right to Rivervale Drive). There were another 2 vehicles which were on the left side (2nd lane) and both vehicles were on the stationary position. While I was driving to a complete stop, there was a vehicle registration number: SMF503E (V2) out of sudden change to my lane abruptly and collided to my vehicle.

V2 turned right at the very last minute caused me to apply emergency brake however due to the impact, my vehicle collided to the centre divider. As it was raining, we moved to a nearby location just behind the B/190, Rivervale Drive. We exchanged particulars and took shots of the damages.

I wished to state that I felt pain on my bodies due to the huge impact. I went to seek medical attention and was given 3 days MC. I was advised to lodge a Police report.
