## Describe Circumstances of the Accident

On the 25<sup>th</sup> March 2021, around 7.45am as I was driving down from my MSCP (BLK 431), in the spiral lane. I was maintaining my car position within my lane when suddenly the car (5MR 7264K) came in the opposite direction and collided with ~~my~~<sup>the</sup> front end of my car. When we both came out to ~~assess~~<sup>assess</sup> the damage, I noticed my car was still within my lane and the driver of the collided car acknowledged it. He initially wanted to solve it with private settlement but due to my car repair costs, he decided to proceed with insurance claims.

You had been advised by workshop that in the event that you wish to claim against your own policy (OD claim), there is a Fourteen (14) days clause whereby the claim must be made within the stipulated timeframe from the day of occurrence.
