DESCRIBE CIRCUMSTANCES OF THE ACCIDENT

I was driving on Westbound AYE at around 9pm on 24 March. There was heavy rainfall and the visibility was compromised. I was intending to make a lane change from the 3rd lane to the 4th in order to take the Buona Vista Exit to go home. I saw a big gap between the lorry that was passing me on the 4th lane and the passenger car behind it. I made (or thought I did) a slow and safe lane change only to realize that the lorry was extraordinarily long and (perhaps over 15 meters) and not all of it had passed my car. Unfortunately, I heard some noise but was not sure if my left front had scratched the lorry's right back or it was the "Lane Change Warning" signal from my car. The lorry drove away with no sign of deceleration, and I did not see its license plate No. When I reached home and checked, unfortunately it was an actual accident. As I never had an accident before I did not know what to do and lost

DECLARATION

I/We declare the foregoing particulars are true in every respect.
