Dear Veron,

Ref your list yesterday, pls see below our comments. We await your revision to recommend COR for amicable settlement.

1) PARTS Nos. 22 : FT Grille Outer Chrome - Obvious scratches on chrome and replacement is necessary.

2) PARTS Nos. 26 : FT Bumper Inner Pad - Obvious damages to FT Bumper hence Inner Pad definitely is also damaged.

3) SPECIAL NETT No. 21 : FT Fender Inner Cowling Clips - Damages to Fender is obvious proof that clips would not be usable.

4) SPECIAL NETT No. 24 & 25 : Radiator Coolant + Aircon Fluid - Radiator was broke, coolant and fluid definitely need to be replaced.

5) LABOUR No. 11, 12, 13, 14, 15 & 16 - Refer to above radiator photo, labour is needed to replace all air-con related issues hence we are of the opinion that it is not fair to have these labours removed.

6) LABOUR No 26 : FT Panel Beating - Too much work required, \$600 is definitely not justifiable. We further seek your kind consideration that RR Panel beating was already deducted from the agreed \$400 to \$200 hence we are not able to further compromise on the FT panel Beating. Solely for the sake of our amicable relationship, \$1000 is our best price.

Thank you.

The above settlement is in respect of our client for damage pertaining to his motor vehicle and shall not prejudice our client's claim in respect of damages and consequential loss in relation to his personal injuries.
