Dear Sir/Madam

I would like to make a report pertaining to FOD (big rock) at lane 1.

On 18 mar 2021, at approximately 1321 hrs, while I was driving my car (SKU5916J), along KPE towards TPE exit flyover (Lorong Halus), a big rock appeared in front of my car at lane 1. The rock was white colour which is not visible enough to be seen. When the time I realised that the present of the big rock in front of my car, I couldn't avoid it (by right, the rock should not be at the road) as I couldn't swerved my car immediately as it could endanger other road user and to prevent from any unforeseen circumstances happen, I got no other choice but to proceed towards the rock as it was unavoidable.

After the incident happen, my car was unable to start.
