Brief Details.

On 24/03/2021 at about 9.50pm, I was driving my vehicle along Tampines Expressway (TPE), heading towards the direction of Pan-Island Expressway (PIE). I was on my way home to Loyang area from Woodlands. At that point in time, I was alone in my vehicle and there was no passenger on board with me. As I was travelling on the lane 1 (extreme right Lane) of the said expressway and when my vehicle reached near to Elias Exit, there was an accident scene in front of me. Thus, I immediately applied my brakes to slow my vehicle. As I was braking, a white vehicle with plate bearing SMJ4570M who was traveling behind me, did not managed to brake in time and collided onto the rear bumper of my vehicle. My vehicle then surged forward and managed to stop behind the accident scene. I wish to state that I did not hit any of the accident vehicles which was in front of me.

Following which, both parties then alighted, and we exchanged our details for insurance purposes. I did not sustain any injury from the accident however, one of the passengers from the said vehicle (SMJ4570M) was conveyed to the hospital. The police were at scene and I was advised to lodge a traffic accident report. My vehicle does have an In-car camera however, the recording footage is not available.
