Brief Details.

I was driving home, travelling along SLE/TPE from Yishun towards Changi Airport.

After Lorong Harlus, I was still driving along the expressway when I saw an animal dashing out from the side of the road.

I avoided it, but unfortunately, the car swirled to the right and hit the side of the railings and plants on the right side of the road.

I immediately stopped the car at a safe place and did a check, no damage to the railings and plants. However, the right side of my car's side mirror and the right side of my car were both damaged.

The above is to the best of my knowledge.
