Report No. T/20210404/2021

CONTINUATION OF REPORT**Brief Details.**

On 03/04/2021, I parked and secured my vehicle bearing registration number SMH5026Y at the basement 2 carpark, lot 222 of our residential at 82 Edgedale Plains, The Terrace Singapore 828736. When I came back to drive my vehicle on 04/04/2021, I discovered that there was some dents and scratches on the front left side of my car. I am also unable to drive the car as the front bumper had rub against the wheel.

I then viewed my in-car dash camera, and the footage shows that on 04/04/2021 at 0120hrs, one white color SUV had hit onto my car and left without leaving any notes. My camera could only see the plate number 5571Y. After which, I went to the security guard and they gave us the full registration (SLD5571Y) number of the said vehicle. Security officers also told us that the car then left the carpark on 04/04/2021 at 1100hrs and now he is back at the carpark.

I believed that the driver is also a resident there. I have informed my insurance company about this. That is all.
