Brief Details.

On 27/03/2021 at about 1000hrs, my husband parked his vehicle SJM6352H at the loading bay of Vista Point (Woodlands) and left the vehicle to get something while i sat at the front passenger seat waiting for him.

I was looking at the left side of my window and saw a lorry GBG6987 ( I did not record the last alphabet of the lorry license plate number) reversing. I then heard a big bang and saw that the said lorry which was reversing had knocked onto the front vehicle of SLP6957Z.

The said lorry driver then looked out of his window to see his rear and after which drove off.

I then waited for the owner of the vehicle SLP6957Z and informed him that I had saw a lorry knocked onto his front vehicle and we exchanged contact number.

I wish to state that my husband vehicle do not have any in-car camera.
