Brief Details.

On 21/01/2019, at about 1508hrs, I was travelling along Upper Thomson road. At that point of time, I wanted to make a right turn towards Upper Thomson road. I made a check and ensured that the traffic in the opposite side was clear and all the vehicle had stopped. As such, I decided to move off. My vehicle had already crossed road when suddenly, I felt a large impact on the passenger side of my vehicle.

At that point of time, all parties did not require any immediate medical attention. Thus, we just took photos of each other vehicle and carried on our way. My vehicle suffered a large dent on the passenger side. I experienced pain on my back area as well as my neck area. I had on passenger on board with me, who suffered pain on his left shoulder area. Hence, I am lodging this report for insurance claim purpose.
