Describe Circumstances of the Accident

On the stated date and time, I was travelling along the stated route.

As I saw some vehicles changing lane from extreme left to the middle lane, I then braked to stop. When I started to move, I felt an impact on my rear, then I got down from my vehicle and realised that I was involved in a chain collision. Vehicle C had collided into vehicle B and causing it to collide into the rear of my vehicle.

Declaration

We declare the foregoing particulars are true in every respect.
