Dear Ming Yao,

We refer to the above matter.

We have uploaded a copy of third party video in Merimen for your viewing.

Based on both parties report & video footage, we are of the view that liability is not in our insured's favour as he intended to go straight instead of making left turn on the left-turn only lane and resulted the collision. We have advised insured on this third party claim and he agreed to let AIG to settle the matter at best.

We would like to propose 100% DS towards third party claim.

Kindly let us have your comments/instruction. Thanks.

Best Regards,
