Dear Veron

We thank you for your prompt reply email of 29.10.21 below advising that the market value of the said van GBA9Y is estimated at S\$6,000.00 as at April 21.

China Taiping has requested knowing whether the estimated \$6k market value of the van is inclusive of COE? If so, what is the balance / remaining COE value for it?

Do you have a copy of the log card for the said van (GBA9A) to confirm its COE value.

We look forward to your further advice soonest.

Best regards
