Describe Circumstances of the Accident

I was driving along North Canal Road on 7 May 21, at or around 1530H and was going to turn right into South Bridge Road. The light was green and I turned my head to the right for a brief moment and I turned back to the front to move off, but the car in front of me did not manage to clear the junction and that was when I collided with the car in front.

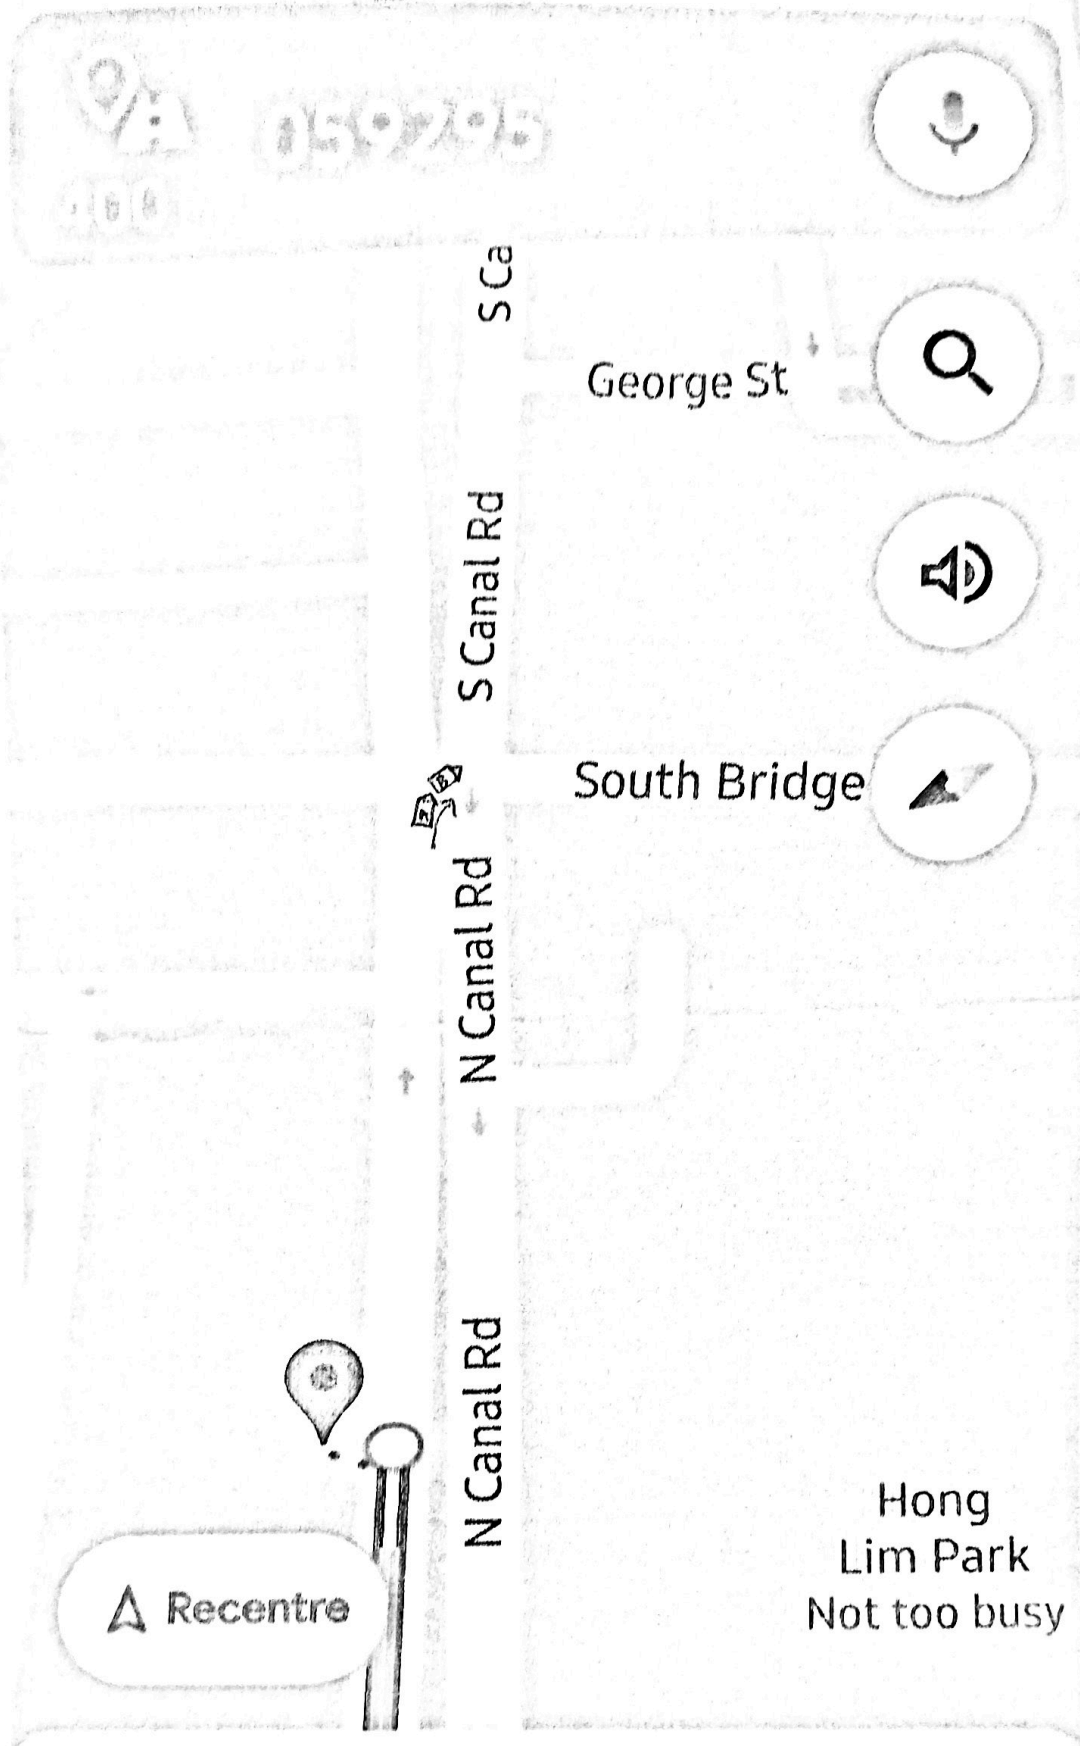

Declaration

We declare the foregoing particulars are true in every respect.
