Brief Details.

On 12/05/2021 at about 0805 hrs, I was driving my vehicle with my wife (SLA3998D), Kia Grey Blue Car, along Adam road, from Lornie Highway towards PIE Tuas, I collided into a motorcycle bearing registration no (FBP9374D) while I was making a change lane to the right. Due to a slow traffic on PIE Jurong, I wanted to take the route via Bukit Timah. I filtered lane to the right after checking right rear traffic which I saw a truck has slowed down. I then signal and filter to the right. After which, I heard a loud sound and managed to stop the vehicle on time however due to the collision, it has caused the motorcyclist to fall down and suffered a slight damages on both vehicles. My right side, passenger door seat has a slight scratch and dented and my bumper rear side, on the right was dented and damage.

For the motorbike, I observed that the left brake handle of the bike was damaged and small parts from the bike was fallen off. The motorcyclist suffered abrasion on the right elbow however he refused any medical attention after I asked him. I have settled amicably with the motorcyclist and agreed to settle insurance claims respectively.

I did not suffer any injuries and so did my wife. I have already reported this incident to my insurance agent however he advised me to lodge a police for insurance claiming purposes. There was no damages in the government property as well.
