Brief Details.

On 11/05/2021 at about 1150hrs, I was riding my vehicle bearing FBR9774Y along Woodlands Centre Road when I approached the traffic light junction of BKE. I stopped at the traffic light and when the lights turned green to my favour, I moved off. I was heading straight towards woodlands centre road. Right when I had rode off, I was hit onto a vehicle coming from BKE from my left. As a result, I was thrown off my motorcycle. Subsequently, while I was on the floor, I tried to get up but I was unable to move my toes. As such, I was afraid that there was any injuries so I just sat up. The driver approached me and admitted that he/she was in a wrong. He/She claimed that he did not see the red light as such he/she just proceeded. There were 2 other motorcyclist which were helping me at that moment. One of them had called for ambulance and police.

Subsequently, the ambulance came and when I was brought in to the ambulance, the Traffic Police came. The traffic police did manage to get a short statement from me and I was then conveyed to Khoo Teck Puat Hospital by the ambulance. I did not manage to get the particulars of the other party but one of the motorcyclist had helped me take photos of the incident using my phone. As such, I managed to get the vehicle number which is SLM6013M.

I suffered from a slight sprain on my toes and ankle. I am still limping when I walk. My vehicle suffered damages to the side fairing, mirror and also my brake lever. This is what I know of now but there could be more damages in which I do not know of yet. I was given 3 days of MC.
