### Car Review - Audi A3 Sedan 1.4 TFSI S-tronic Ambiente (A)

The Audi A3 sedan looks smart inside and out, drives exceptionally well and is positively frugal, distinguishing itself from the rest in its segment.

The Audi A3 Sedan was facelifted on Mar 2017.

Read our review of the facelifted version.

## The Good

- » It makes you look unique
- » It's well-mixed in practicality and style
- » You can door-handle it like a madman and feel rewarded

## The Bad

- » Not as frugal as the Sportback
