Brief Details.

On 18/05/2021 at about 8.55am, I was making my way to the High Commission of India at 31 Grange Rd. My car (S2104CD) was stationary on the extreme right hand lane of Orchard Rd and I was about to turn into Grange Rd (where the H&M building was located at the corner). I remembered that the traffic lights were green, the pedestrian lights (to cross Grange Rd) was blinking green and that there were no pedestrians at all. As I turned into Grange Rd (with my car signaling right), a pedestrian suddenly appeared and tried to cross the road. As such, I braked immediately. However, the car (SLW299S) behind me did not manage to react in time and thus the front of the car hit the rear of my car (S2104CD). Afterwards, both of us (S2104CD) drove to a small curb on the right hand side of Grange Rd and afterwards, we both got off our cars and we exchanged particulars.

I wish to state that no one was injured as a result of the above accident. I also wish to state that my car (S2104CD) has no in car CCTV camera to capture the footage of the accident. I am unsure of whether there were any in car CCTV cameras for the other car (SLW299S).

Because of the above accident, my car (S2104CD) experienced small dents and scratches on the rear bumper. As for the other car (SLW299S), it experienced a crack on its right headlight and small scratches on the front bumper, with a piece of metal scrapped off.

I further wish to state that the car (S2104CD) I am driving belongs to the High Commission of India.

I am lodging this police report for recording and investigative purposes.
