Was this injured conveyed to hospital by ambulance?	No

Describe Circumstance of the Accident

On 17/5/2021 at about 1500 hrs, I was travelling along Adam Road heading towards PSE towards Changi. I was on the bend slip road turning head towards Changi, where the vehicle in front slowed down suddenly. I managed to stop my vehicle in time to avoid a collision, but I felt a collision to the rear of my vehicle.

I windowed down my window and noticed that I had not with an accident. As such, I put on my hazard lights and moved my vehicle ahead to a safe location to talk to the driver behind. I alighted from the vehicle and exchanged particulars with the driver. I wish to state that I felt some whiplash, but did not feel that I required immediate medical attention. We left the location after exchanging our particulars.

On the same date at about 1600 hrs, I proceeded to Mount Alvernia Hospital to seek consultation. Subsequently, I was given 5 days of MC from 17/05/2021 to 21/05/2021.

I wish to state that there was an in-car camera facing the front of the vehicle, but not the rear. There was no damage to government property and no police or ambulance were at the scene.

IMPORTANT NOTE

Under **General Condition – Conduct of Claim** of the Motor Policy, you have to decide within 21 days of occurrence or discovery of damage whether or not to claim under the policy. Please check your policy for more information.

Declaration

I/We declare the foregoing particulars are true in every respect.
