Brief details.

I was heading back home, it started to rain halfway through the journey back home. I exited TPE/CTE to Yio Chu Kang Road and lost control of the vehicle and went up the kerb, after the air bag activated, I was shocked and frightened and ran out of the car. I run across the road to ensure my own safety as the vehicle was not blocking the road. I immediately called my brother to head down to the scene as I am still in shock and confused.
