- E. Below is the explanation of the occurrence of the accident.
1. At about 2.40pm on Wednesday 28 April 2021, I Chee Mee Ding ("CMD") was driving my car SLP7122J ("car") along Upper Boon Keng Road towards Boon Keng Road and made a u-turn near Geylang West Community Centre to head towards the direction of Kallang Bahru. As I cleared the u-turn, the male driver of motor bike no. FR7889R hit the front passenger car door on the left side of my car. The door is dented and can still closed. I stopped my car to check and found the rider sitting on the road with helmet on and the motor bike next to him.
 2. While I was talking to the rider, a member of the public called the police and ambulance. The ambulance arrived within about 15 minutes followed by the police.
 3. The rider was not communicative. However in response to my queries, the rider said that the motor bike belongs to his father and that he has phoned his father to come.
 4. The ambulance staff took his blood pressure and found it normal and there was no visible injuries. The rider said he has some pain in his groin area but no pain elsewhere when asked by the ambulance staff. When his father arrived, the rider went with the ambulance. The father could start the motor bike and wheeled it to one side.
 5. I did not see any visible damage to the motor bike.
 6. The police officers took the particulars of the rider and I. As requested by police officer Azie Sofia, I produced to her my NRIC and driving licence.
 7. The male police officer Sankar told me to lodge a police report and took my in-car camera video memory card and gave me a signed acknowledgement for having taken it. Officer Sankar said that the investigating officer to call for in this matter is JOFI at telephone no. 65476960.
 8. Do let me know if further information is required.

Brief Details.

On the 28/04/2021 at around 02:40 PM, I was travelling along Upper Boon Keng Rd towards Boon Keng Rd in my vehicle SLP7122J. Near to Geylang West CC, I made a U-turn to head towards Kallang Bahru. I saw a green motorcycle however it was still a distance away. As such I proceeded to make a U-turn. As I cleared the U-turn, I felt an impact from the left side of my vehicle. I then alighted and saw that the motorcycle (FR7889R) had hit onto my vehicle and the motorcyclist was sitting on the road next to his motorcycle, helmet on. A traffic police officer arrived soon after and seized my in car camera memory card. I did not observed any visible injuries on the motorcyclist however he was conveyed to a hospital via ambulance. I was then instructed by the Traffic Police Officer to lodge a traffic accident report. I did not managed to get the particulars of the motorcyclist.
