Brief Details.

There was a car in front and a motorbike behind along with my car in between, all waiting to merge into Simei street 1 from Simei Street 5. The car in front moved and so we both behind also moved. Suddenly the front car spotted another motorbike which was coming from opposite direction merging into Stree5 from Street 1 and had to e-brake the vehicle which caused the minor collision from my car into his rear part and same thing by the motor bike behind me. The motorbike behind me managed to bang into my car but ran away without exchanging particulars. This report is mainly for the insurance purposes.
