Dear Hsiao Tong,

Our client has not installed any camera.

Both parties reported accident involved due to vehicle (SKQ4245P) was reversed from the house lot to the main road directly cut into our client's rider lane.

Vehicle reversing to the main road should exercise great degree of care towards on-coming traffic thus the reversing vehicle should be liable to the on-coming vehicle at the main road.

As requested by our client, please send us your insured's video footage to prove that she is not at fault in the accident.

Thanks

Raymond
