Hi John,

Please understand that we also have a list to follow and if you can observe, we followed the year model of the car.

Thus the price tag adjusted is according to our list approved by the insurance company.

We can use your price but it may be rejected by the insurance company.

Please provide a proper invoice and not hand-written quote.

Incidentally, a couple of items are higher than you JAE list.

Please provide a proper invoice before I can make any changes.

Thanks.
