CONTINUATION OF REPORT

**Brief Details.**

On 30/05/2021 @ 1943hrs I was driving my vehicle, SMZ1560C along Lorong Chuan towards Braddell Road, while at T-junction of Serangoon Avenue 3, one vehicle, SGJ5796T was travelling at the opposite direction suddenly made a right turn into Serangoon Avenue 3 while the traffic light was green for my vehicle to go straight. As it was too sudden, I turned my vehicle towards the right side to avoid but I was not able to do so and collided onto the vehicle. There were ambulance and police attended to us, and the police advised us to lodge a insurance report with our insurance company. My girlfriend who was the passenger had a cut on the right cheek area, bruise below the right eye, abrasion on the right palm and a red marking at chest area. The paramedic made a check on her which they informed that it was a non-emergency and it might take quite a while for her to be attended if she was to be conveyed to hospital. I took photo of the accident site, damages of my vehicle and exchanged particulars with the other driver and I then took a grab with my girlfriend to the hospital. My girlfriend was then given 7 days MC.
