Hi Suanne,

Allow me to apologise for making a calculation error in the LS of the above mention vehicle.
The correct recommended **COR should be \$10,350.00** instead of \$10,650.00 with 9 repair days.

The error I made is with the exhaust silencer gasket which is \$ 45.30, but unfortunately I added it as \$445.30.

Thus with the calculation error in the earlier recommended COR was incorrect.

I therefore confirm that the correct recommended COR is \$10,350.00 with 9 repair days.

Please send the LOD and all the necessary documents with the updated recommended COR to our Case Handler Ms Shiau Chan ASAP.

My apologies for the calculation error.
