Describe Circumstances of the Accident

On the stated date and time, vehicle 'A' was travelling along my designated lane along VR Ave 1. The traffic light was red as such I followed the vehicle in front of me and came to a stop. The light turned green and the vehicle in front of me moved forward. I was still stationary when I suddenly felt a huge impact hitting me on the rear of my vehicle. I got down to realise that vehicle 'B' has collided into me. That is all.
