Dear Sirs/Mdm,

**ACCIDENT INVOLVING SH 6610H(AXA) AND SKB 7799S ON 02/06/2021**

We refer to the above matter.

Attached is a copy of our insured accident report and video screenshot for your easy reference. Based on our taxi video footage, our taxi was within the lane and hit by your client who was driving on the right side. We are of the view that our insured report is more credible.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thanks.

**"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."**

**In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."**

***Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.***
