Describe Circumstances of the Accident

On the stated date and time, I was travelling along my designated lane along BIK 152 Upper Searydon North Ave 1. As I was travelling along I slowed down to a stop as the vehicle in front of me did. The vehicle in front of me moved off slowly as such I followed suit, as I was moving along I suddenly felt an impact hitting my vehicle at the rear right portion. I got down to realise that vehicle "B" door has swung open and hit into me. That is all.
