### Describe Circumstances of the Accident

On 30/05/2021 at about 0120 hrs, I was driving my mother's car along Queensway towards Farrer Road near to lamp post 24 in front block 97 Commonwealth Crescent as I am on the way to my friend's house located at Newton area.

At the point of time, I was travelling along lane 1 of Queensway and subsequently collided onto right side curb and lost control of my car and mounted on the centre of road divider and my car flipped. Thereafter, I came out of my car and shortly the Police and ambulance came.

The Police officer then interviewed me and seized my in-build video camera memory for investigation purpose. Paramedic also made a check on me and I like to state that I did not suffer any injury. The Police then advised me to lodge a Police accident report at any Police station.
