Without Prejudice

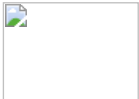

Dear Veron

Can check with your surveyor for advise as policyholder quote the market value higher for his total loss vehicle?

Due to the COVID-19 situation, most of our staff are working from home.
While we remain committed to serving you, there may be delay in our customer services.
We thank you for your kind understanding under such challenging circumstances.

Dear Mr Soh

Our offer is inclusive of the LTA rebate.

You can forward us proof to support your market value of S\$6k0 to S\$70k.

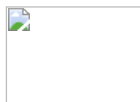

From SG Car Mart base on your register year of vehicle , our offer is reasonable.

You can print the PARF/COE from LTA website .

Due to the COVID-19 situation, most of our staff are working from home.
While we remain committed to serving you, there may be delay in our customer services.
We thank you for your kind understanding under such challenging circumstances.

Hi Josephine,

I would like to request for a higher claim. As we worked out, pre-accident MV calculated by your side is \$53,000 with 5.5 years left
= \$9,636.36 depreciation value

With the given claim amount, \$53000/ 45 years = \$11,777 depre

As checked, Current MV on used-car platform is around \$60-70k higher than your quoted \$53k.

Car was bought at around \$123,000 - \$53,000 (MV)
= \$70,000 / 4.5 years
=\$15,555 depreciation which doesn't make sense comparing with my current depreciation value.

Furthermore, after 5.5 years, I am still able to take back the APF\$12762.00 which was not taken into account. Kindly assist to revise the claim amount for me.

Thanks
