**Brief details.**

On 16/02/2021, at about 8:00pm, I was driving my previous company's lorry YP4948J out of the carpark lot located at Kaki Bukit Recreational Centre. As I was doing so, I accidentally scratched the right headlight of the lorry YQ1665P, which was parked on my left-hand side. I immediately got down from my lorry to assess the damage, and took some photos of both our lorries. Thereafter, I found the driver's contact details (Emmady Laxma Reddy) through the windscreen, and called him. I no longer have his

contact number now.

I told the driver that I had accidentally hit onto his right headlight, and asked him to send his lorry for repair. I then asked him to let me know the repair cost so that I can compensate him. He acknowledged and said that he will check with his manager first. Two days later, I called the driver to ask for the repair cost, but he told me that it has been settled and not to worry about it. Thereafter, the driver and I did not contact each other again.

On 01/04/2021, I left my previous company, Hiap Seng Piling Construction Pte Ltd, and started working for my new company, Shingtai Piling Pte Ltd. On 29/06/2021, at about 1:30pm, a staff from my previous company called and informed me about a traffic accident report lodged for that February incident. The staff sent me a copy of the report, which stated hit-and-run, and advised me to lodge a police report.

I wish to state that I did not run away after the accident in February. I have also made efforts to contact the lorry driver to make compensation, but he told me that it has been settled. I did not lodge a road traffic accident report after that incident. No one was injured from this accident. I am lodging this report to disclaim liability.
