Describe Circumstances of the Accident

I was travelling along River Valley Rd on lane 2 in the direction of Great World City. At the junction of River Valley Road and Rivervalley close, I stopped the car as the traffic light was red.

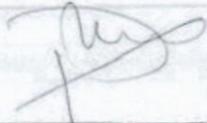

When the traffic light turned green, I drove forward, at that instance a motorbike, ITU581 suddenly turn from my left lane 3 into my path.

I stopped immediately but the left front bumper struck into the motorbike. The motorcyclist on the bike fell, he got up and waved at me as though apologising, anyway I went out and check his condition. I helped him limping to the curb where he sat down. I called 995 for an ambulance.

I checked my car condition and the left front bumper was slightly dented and dislodged partially. Motorbike, ITU581 has minor scratches.

Declaration

We declare the foregoing particulars are true in every respect.
