### Without Prejudice

Dear Sirs/Mdm,

We refer to the above matter.

Attached is a copy of our insured accident report and video screenshot for your easy reference. Based on our video footage, it shows that your client changed lane and collided with our vehicle who was driving straight within his lane. We are of the view that our driver is not liable.

In view of the above, we regret to inform you that we have our principal instruction to deny liability and unable to look into your client's matter.

Thank you.

**"Kindly note that this negotiation between parties on this matter is purely on a without prejudice basis with the sole intention of resolving the matter amicably without parties resorting to legal proceedings. No admission of liability, whatsoever, should be deemed / inferred from this negotiation of terms/settlement."**

**In the event of new evidence being discovered or subsequently produced by either party that will materially affect/influence on the issues of liability/damages, either party is not bound, thereafter, by the negotiation terms/settlement."**
