

Describe Circumstances of the Accident VEHICLE NO: STU68855 DATE OF ACCIDENT: 18/06/2021

on 18th around 1400 at the crossing of
New Road Red and Upper Chantry, near Signal
I was waiting behind car no SMD 9485A.
As Green Light opened the car SMD 9485A
moved ahead and hit my car.
As he moved ahead I also moved ahead.

But for some reason he stopped suddenly
and once I realised he stopped & jolted
Back.

I did not feel any impact in my car
and there was no damage to my car.

I am attaching photo of the car and the
video of the incident as well.

After the alleged impact the driver of the
car, SMD 9485A got down to check.

If he can open the Boot and he was
able to open and do the same.
