Describe Circumstances of the Accident

At 12:05 PM, I, the driver of SLU5742G, was waiting along the narrow one way road along Block 158 Hougang St 11. There was a lorry GBD 1478 D which was waiting along the lane in front of me. I maintained a good distance behind the lorry.

Suddenly, without any form of indication, the lorry started to go on reverse. I immediately honked & tried to go on reverse but the lorry reversed at a high speed & hit my car.

The driver of the lorry admitted he was at fault & that he was driving his company lorry.
