CONTINUATION OF REPORT

Brief Details.

On 20/06/2021 at about 1215hrs, I parked my car bearing plate no. SKJ5699T at Block 613 Tampines North Drive 1, Deck 3A Lot No. 62. Everything was intact.

On the same day at about 1500hrs, my parents came over to my house and saw the status of my car and informed me about it. I went to take a look at my car and discovered that my car front bumper was badly damaged and dropped off as such I called for the police. I was attended by the traffic police. One of the car owner (Mr Lam, H/p: 9822 4955) who parked at the same deck came to retrieve the car and I managed to get the in-car camera video recording from him. The video recording showed that a white van hit my car and left on 20/06/2021 at about 1438hrs.

After the incident, I did walk around the carpark and suspects that the van bearing plate no. GBJ9132S was the van that hit my car. The van has dent and scratches on the front left bumper.

I would like to state that I have in-car camera in my car but it did not capture any recording of the incident. The car, is my own personal car.

No note was left behind.

No one was injured. No government property was damaged.

I am lodging my police report as requested by the traffic police who attended my incident.
