## Describe Circumstances of the Accident

Accident happened at approximately 9pm on 24 June 2021

I was driving down the Nevena Square Shopping Mall car park ramp slowly. There was no car behind me. I heard a scraping sound on the right and realised that a protruding object must have scratched the right side of the car. I could not stop and get out of the car whilst driving down the ramp once out of the car park, I got out of the car to see what had happened. I was shocked to see that the front left panel had been almost sheered off. I drive to Nevena Square very regularly for meetings and meals and I have never had problems with the car park ramp. This is the first time such an incident has happened for me.
