CONTINUATION OF REPORT

Brief Details.

On 24/06/2021 at about 2.27 pm, I was driving my taxi (SHD5242U) along Bras Basah Road towards the direction of Suntec City before the slip road to the lobby of Swiss Hotel. I was at the extreme right travelling straight. Suddenly, one lorry (GBF 3953A) driven by Yoko Seko, NRIC: S9348291C residing at Blk 101 Clementi Street 14 #13-149, S120101 cut ~~me~~ my lane causing the right side of the lorry to hit onto the left front passenger seat and glazed to the front bumper. Both of us exchanged particular and left the location.

On 25/06/2021 at 7 am, I woke up and there was pain on my neck, both of my shoulder, left palm, middle back and numbness on my left leg. I sought treatment at T.M Awe Clinic located at Blk 123 Hougang Ave 1 #01-1406 and was diagnosed with whiplash neck injury, back sprain and radiculopathy and given 5 days MC from 25/06/2021 to 29/06/2021. I had a recording which captured the incident from my car camera.
