Hi Jeremy,

We have rejected third party claim as per instruction. However, third party appealed based on PIR letter dated 02 Jun 2021.

Please advise if there is any update from insured on his appeal to traffic police. Thanks.

Note: We are on work from home arrangement. All correspondence should be made via email. Submission of claim related documents will be in softcopy. Any inconvenience caused is much regretted.

Hi Hsiao Tong,

Please proceed to reject case.

Let me know what steps TPWS intends to proceed after we reject the case. Either GIA or Lawyers.

Do note that OI was not fined in his PIR and will appeal against the results.

Hi Hsiao Tong,

Apologize as I was in a meeting earlier and could not speak with you on this case.

Please proceed to reject the case under these conditions.

Under BOLA, there is video graphic evidence that supports the version of Insured being in the yellow box and the Third Party Motorcycle did not stop in front of the yellow box to allow insured to exit from the minor road.

Under MAG 14(b), in case they litigate the matter.

<p>(b)</p>  <p>Diagram 1.43</p> <p>Traffic on the major road has stopped up to the edge of the yellow box</p>	<p>Reason(s): Driver X turning out from the minor road has precedence over oncoming traffic on the major road but should still keep a lookout for vehicles along the major road. Driver X should also take evasive action to avoid a collision. Driver Y on the major road should not proceed into the yellow box; he should stop behind the yellow box to allow vehicles from the adjoining minor road to enter the major road.^{44a}</p>
