Brief Details.

On 21/11/2019 at 1420hrs, I was driving my "SU6000A light blue audi" along tanglin road towards alexandra road, suddenly there's a big impact crash onto my car. There's a big damage on the right side of my vehicle, I have no injuries at that time. The female driver "SJP3859S dark blue toyota" came out from the vehicle mentioned that she suffered a small injury on her left forearm. I called for 999, the traffic police and ambulance came and convey the female driver to SGH for further medical attention.

The female driver is driving a grab private hired car.
