Brief Details.

On 02/07/2021 at about 0625hrs, I was driving at Leng Kee Road towards Tiong Bahru Road in front of Mazda Building. I was waiting for the right car from another direction to move before I proceed. When I was turning right, a motorbike hit my car and I was shock and stopped immediately. The front of the bike hit my back, right side of my car and damaged my rear door. Due to this I could not open the door. I step out of my vehicles and check on the rider. I checked on him however he mentioned he did not require any medical attention and left with his contact number only. I then proceed to my service center as my car was obstructing the flow of traffic. A KIA building security officer informed me that the ambulance was there and the rider left before the ambulance came.. When I handover to KIA service center and went out to scene again, I saw a Traffic Police Officer and he advise me to lodge Police report.
